FINAL ORDER IN GARNISHMENT

Judgment defendant

Garnishee defendant

This matter is submitted upon plaintiff's Motion to Enforce Judgment by Proceeding Supplemental. The Court finds that the allegations of plaintiff's petition are true; plaintiff is the owner of an unpaid judgment against the judgment defendant, _____ and is entitled to recover from the earnings of the judgment defendant, an amount required to satisfy said judgment, costs and interest.

It is therefore ordered that _____, as garnishee defendant, pay into the court at least monthly, the lesser of one of the following amounts:

- (1) 25% of the judgment defendant's disposable earnings; or
- (2) The amount by which the judgment defendant's disposable earnings exceed thirty (30) times the federal minimum hourly wage (\$7.25 per hour x 30 = \$217.50) in effect at the time the earnings are payable.

Disposable earnings are those amounts remaining after deducting, ONLY, the following gross earnings:

- (a) FEDERAL INCOME TAX
- (b) FEDERAL SOCIAL SECURITY
- (c) INDIANA ADJUSTED GROSS INCOME TAX.

AMOUNT THAT MAY BE OBTAINED BY GARNISHEE DEFENDANT FEE: _____

Garnishee deductions shall continue until the judgment, with the unpaid balance of \$ _____, plus judgment interest is fully paid.

This order shall be effective only after all prior final garnishment orders have been fully satisfied, and only one (1) Order in Garnishment will be carried out by Garnishment Defendant at one time.

A support withholding order takes priority over a garnishment order irrespective of their dates of entry or activation., if a person is subject to a support withholding order and a garnishment order, the garnishment order shall be honored only to the extent that disposable earnings withheld under the support withholding order do not exceed the maximum amount subject to garnishment as computed under subsections (2) above.
